

# CLEAR CUT

WORLD CLASS PLASMA TABLES  
A product of Africa

**EDGE  
CONNECT**  
**CNC** CNCE01

**CNC controller interface with touch screen.**

## Features

- Full industrial
- True motion (Rapid Parts, TrueHole, Sure Cut)
- High definition cutting
- High production output
- Import CAD files directly
- Pattern array nesting
- Advanced Torch Height Control
- Laser plate alignment
- Operator friendly (Touch screen, Operator panel)
- Supports HPR/XPR
- Real time operating system

## Specifications

- Power requirement: 240V AC 50Hz supply
- CAM Software: ProNest
- Windows 10 embedded
- EtherCAT Servo drive system
- Motion accuracy:  $\pm 0.05\text{mm}$
- Acceleration: Up to 80Mg
- Sensor THC
- Rapid speeds up to 30000mm/min
- Safety features embedded
