

# CLEAR CUT

WORLD CLASS PLASMA TABLES  
A product of Africa

# UCCNC

CNC CNCU01

**CNC controller interface with touch screen.**

## Features

- High accuracy
- Torch height control
- Operator friendly (Touch screen, Operator panel)
- Switch plate sensing
- Advanced torch height control processes

## Specifications

- Power requirement: 240V AC 50Hz supply
- Windows 7 embedded
- File system protection
- Stepper motion system
- Motion accuracy:  $\pm 0.05\text{mm}$
- Acceleration: Up to 35Mg
- Rapid speeds up to 12000mm/min
- Safety features embedded
- CAM Software: FastCam (Upgradeable)

**Hypertherm® OEM**
